Quick Start Guide

Welcome to NXGEN! This quick start guide will help you get familiar with the platform in just a few minutes.
:::tip Pro Tip

Bookmark this page for quick reference as you explore the platform.

:::

Prerequisites

- Valid NXGEN account credentials
- Modern web browser (Chrome, Firefox, Edge, Safari)
- Network access to your NXGEN deployment

Step 1: Log In

Navigate to your NXGEN instance URL and enter your credentials. If you don't have an account, contact your administrator.

Step 2: Explore the Dashboard

The main dashboard provides an overview of your system status, recent activity, and quick access to key features.
