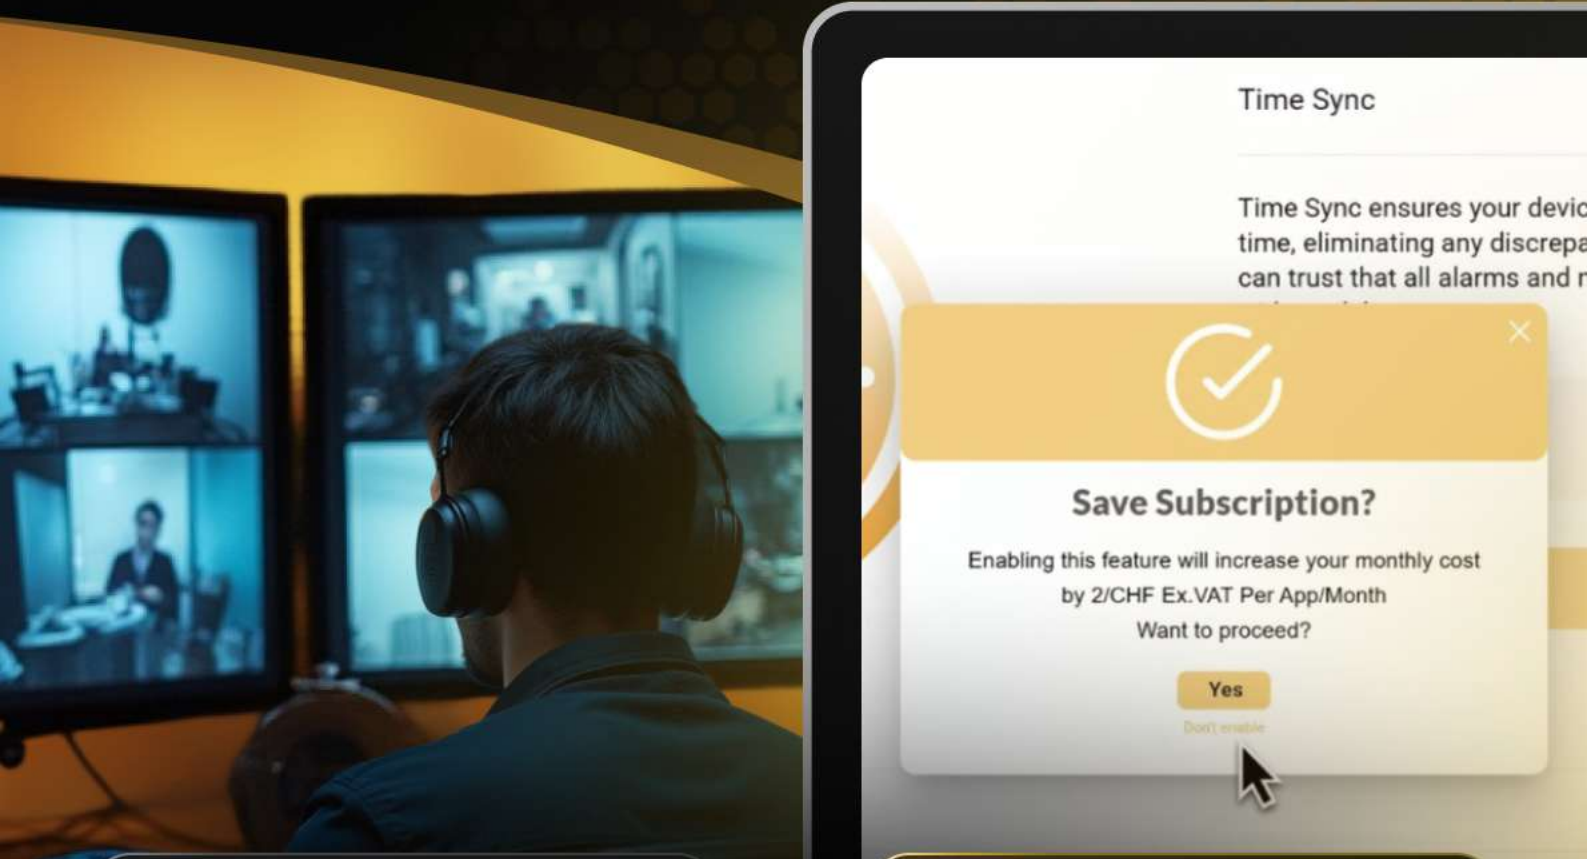
NXGEN Technology AG

MarketPlace

Launch New Client Services Instantly; Expand Revenue, ZERO Hassle



BEFORE GCXONE

Onboarding a premium feature delays of 7–10 days and 5–8 admin hours drive up costs and slow service activation.

WITH GCXONE

Onboarding a premium feature delays of 7–10 days and 5–8 admin hours drive up costs and slow service activation.

A Game Changer

MarketPlace unlocks growth by transforming insights into revenue. From time-lapse video to premium analytics, it enables Sales and General Managers to launch services customers will pay for, while operators and admins scale across thousands of sites without added strain. For leadership, **Market**Place is the new playbook for turning operational data into recurring margin.

Launch Faster. Save More.

By eliminating 6–9 days of waiting and 4–7 hours of administrative effort per service, **Market**Place helps your team move at the pace of your business. The result: up to €3,500 in annual savings from reduced support and admin workload.

MarketPlace puts powerful solutions at your fingertips — no delays, no bottlenecks.
